Introduction to Outdoor Leader Skills Training

The Unaka District invites you to participate in Introduction to Outdoor Leader Skills, a fun-filled program of hands-on skills training in the outdoors. This course is designed to help you master basic camping and outdoor skills required for all Scouts to earn the Tenderfoot to First Class ranks. This course will be held at Ken Davidson's farm in Athens on October 21-22, 2006.

This course will help you learn how to set up camp, cook in the outdoors, and work with wood tools. Expert instructors will teach you about ropes, first aid, planing campfire programs, map reading and compass skills, hiking and packing techniques, nature identification and the essentials of Leave No Trace activities. These outdoor sessions will bring to life the pages of the *Boy Scout Handbook* to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will also give you the opportunity to work with other Scout leaders from the area, meet new friends and reinforce your present skill techniques with fellow unit leaders.

This unique and exciting program is open to any registered Scout leader and we hope to see you there! Please complete the registration form below, then clip and return it to the address below **no later than October 1, 2006** along with your participation fee of \$25.00. We will send you a map to the location, gear list, and any other information you will need to join us – and please “pass the word” to other Scout Leaders. We don't want anyone to miss out on the fun!
